Fry School Memories

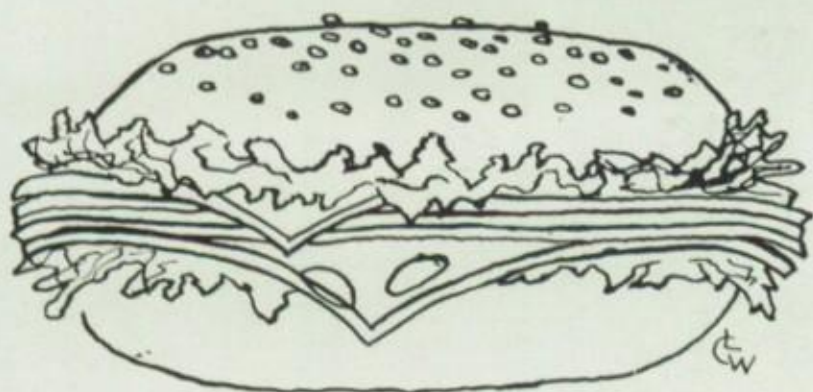

Going to McDonald's is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats.

You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we say...

to my friend
you mean alot
to me. I'll miss
you a great deal.
"You can be the captain
I will draw the chart -
sailing into destiny."
Close, to the heart."

Rossi
I haven't known you for very long
but I think you are a very sweet girl.
You have alot going for you right now
such as your singing and Paul. I know
that with those two things you can never
go wrong. You have alot of talent, You've got
the "Magic power" to "Be a Star Someday".
I hope you remember as when "You're a
"Star" you want you to little soldiers in the
front now tickets, back stage I would
like autographed pictures. So keep up the
good work. Keep yourself out of trouble.
